

*Soiree Floral*

**Placesetters, Inc.**

RENTALS *for* NANTUCKET EVENTS

We are looking forward to connecting with everyone again in a safe and socially-distant manner. To that end, we've come up with some helpful policies and procedures for the showroom at 28 Centre Street. Please read the guidelines below and let us know if you have any questions.

- Meetings must be scheduled in advance. Please keep in mind that your group may not exceed a total of 4 people per meeting (including your planner). Meetings will be limited to discussions of rentals with Placesetters and florals with Soiree Floral. Please take other meetings off-site.
- Please come wearing a mask and gloves. This is mandatory, you will not be let upstairs without them.
- Please keep your social distance, we have "feet" on the floor to assist you.
- If you are feeling unwell, please cancel in advance. We are happy to reschedule an appointment when you are feeling better.

All the best,

Soiree Floral and Placesetters Inc.
